

Saville HD-4200

HD-Ready 42" LCD Monitor Display

New

The Saville HD-4200 42" LCD display delivers stunning picture quality with WXGA high resolution and 1500:1 high contrast ratio.

In the highly competitive flat screen marketplace, it also represents the real value for money and professional reliability expected from Saville products.

Extensive range of connectors

Saville HD-4200 offers extensive input and output terminals. Including component (Y,Pb,Pr) or RGBHV input and output, as well as composite video input and output all via BNC. RS-232 control is enabled via a D-Sub 9 serial input and output, facilitating daisy chain connection of screens.

Computer inputs

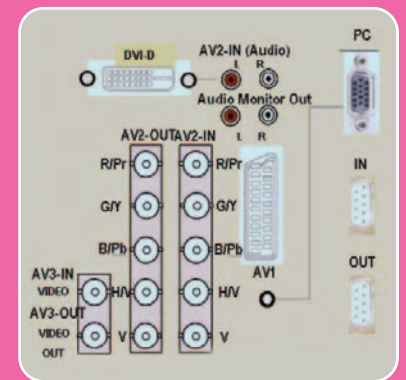

Connectors include computer inputs (a D-Sub 15 RGB terminal) and DVI input with HDCP for High Definition signals. There are also jacks for audio out for external amplification (RCA), as well as speaker out for 6 + 6W (8 Ohm).

The Saville HD-4200 comes with a 3 year return to base warranty.

For prices and bulk quantity quotations, phone 0870 606 1100 or e-mail head.office@saville-av.com
